

Clearspan Heritage

Clearspan Heritage Balustrade

Spectrum's Clearspan Heritage is widely used in aged care and institutional builds, and features a single bottom rail with a double top rail and evenly spaced vertical balusters. The clean top rail brings a strong horizontal element to an otherwise vertical structure and is particularly well suited to traditional style or heritage buildings.

Features

- Double top rail
- Suitable for Pool fencing (F9)
- Tough powdercoated finish in your choice of colour*
- High quality T5/T6 aluminium and stainless steel fasteners
- Available to suit a range of substrates
- Designed and made in New Zealand
