

**Clearspan Inline Fin**

# Clearspan Inline Fin Balustrade

Not unlike our Seamless or Face Hung Fin Balustrades, the Inline Fin delivers a crisp contemporary look that works particularly well by itself or in combination with other architectural features like Spectrum's router cut aluminium sheet infills and privacy screens. Suitable for use in a wide range of applications the Inline Fin is one of Spectrum's most popular balustrade designs.

## Features

- Contemporary fin baluster design with multiple mounting and handrail options
- Suitable for Pool fencing (F9)
- Tough powdercoated finish in your choice of colour\*
- High quality T5/T6 aluminium and stainless steel fasteners
